Believe in ourselves, be the best we can be

Monday 9th January 2017- Newsletter

Welcome back to the beginning of the Spring Term. We all hope you had a great Christmas and New Year and are looking forward to a quiet January to recover from the festive season!

Gate outside Investigators

There is a small gate outside the Investigators class that is used throughout the school day. As an important physical barrier to the school, it is important that this remains closed. We have reminded the children to think about this and would appreciate it if you could try and close this when entering or leaving the school. Thank you!

Coats

We always endeavour to get the children outside during the school day and this sometimes means braving a variety of different weather. It would support us greatly if you could send your children to school with a coat. If your child is anything like my eldest, it will be the last thing they will want to wear to school, but please attempt to gently persuade them!?!

Text Messages

Just a gentle reminder that if you could download the Gateway App to receive school text messages then this is a cheaper option for the school. Look for this symbol!

Amendment to School Menu

Please note that on Tuesdays in Week 3 (which is this week) the menu has now swapped from Braised Beef to a Beef Burger.

Non-Pupil Day

Please note that the Monday after half term (**Monday 20th February**) is a non-pupil day. The children will be back in on Tuesday 21st February. Further dates for the 2017-2018 academic year are available on the website.

Wedding Bells

Just to clarify, we do not have a new teacher in Pioneers! During the holidays, Miss Toman became Mrs Dunn just before Christmas. I am sure you will join me in congratulating Mrs Dunn and wishing her every success and happiness in her marriage.

Many thanks for your continued support.

Dave Killoran
(Headteacher)
