Believe in ourselves, be the best we can be

11th November 2016- Newsletter

Online Safety

We are pleased to send home another addition of "Digital Parenting", a free magazine to support parents in keeping children safe online. We endeavour to keep you updated with the latest guidance regarding online safety. Just a reminder - if you were unable to make our annual Parents Workshop earlier in the year, the resources are available on the 'online safety' section of our website.

Curriculum Celebration

On Thursday 17th November at 14:30 we would like to invite you in for another curriculum celebration. This is an opportunity to come and share your child's learning around our 'What a Wonderful World' topic. We would love for you to take a trip around all of the continents in the different classes and get your learning passport stamped from each destination. No sun cream required!

School Library

Many KS2 children access our library at the beginning the day to update their books or to take the next challenge using Accelerated Reader. It would really support us to have an adult present at these times to support the children with their choices and the use of the computer to log books in and out. We were wondering if there would be anyone that would perhaps volunteer for this role for 45min to an hour first thing in the morning. If anyone would be interested in this role and would like to find out more information please get in contact with Mrs Bowden via the school office.

Children in Need

On Friday 18th November it is Children in Need. As children are already dressed in their own clothes to provide donations for the Xmas Fayre, we thought maybe we would keep it simple this year by inviting children to take part in our 'spotty' theme. Any spotty clothes, shoes, hats or make up could be worn or children could simply come in their own clothes. We would ask that you also make a £1 donation for this that would go directly to Children in Need.

Parents Evening

Thank you to all of those who came and met the teachers this week. We were delighted to see you come and hear all about your child's progress in school and continue our positive parent partnership that is so important. Another thank you to all of you who completed a questionnaire. We will be collating the results and I will feed back to you about this in the near future.

Many thanks for your continued support.

Dave Killoran
(Headteacher)
