### **03.05.17- Newsletter**

#### **Forest School**

So far Explorers and Voyagers have had fantastic Forest School days! Some parents went up to look at the areas which have been developed for these activities and listened to some very excited children talking about their learning! The days have worked really well and as the term progresses the teachers will be considering how we can further use the spaces to further enrich the children's learning experiences. Many thanks again to FOBS for all of their hard work and support!

#### **PE T-Shirts**

At a recent FOBS meeting, it was discussed how our children can look a bit untidy when attending some PE events in the learning community as they all have different coloured house t shirts on. Having attended an event myself recently, I had to agree. We have decided to change the PE kit from the start of September. From the new academic year, the PE t shirt will be dark blue with a light blue logo (the same as the jumpers) for all pupils regardless of their House. However, I do not expect all t-shirts to change immediately! Children can continue to wear their old t shirts until they need a new one when the new design will be the only one available.

#### **Fidget Spinners**

I am sure the latest craze of Fidget Spinners has not escaped your attention! I would like to be clear that they are now not allowed in school. They are very distracting when children are learning and I am also concerned that they could get lost or misplaced. Thank you for your understanding with this.

#### **Letters**

Copies of letters emailed or sent home are now available to view on the Parents Page of the School Website by following the link on the right hand side. Please do continue to check the website regularly.

#### **Katy Jones**

As of this week, Katy Jones has officially left the school on an ill health retirement. Katy had a significant impact on so many children and adults during her time at our school and has many friends at Bishopsteignton. She will be coming in again to see the children on Thursday 11<sup>th</sup> May when we aim to celebrate and say thank you for everything she has done for our community.

Many thanks for your continued support.
